

Argila Uptown

Esta revisión del concepto 'brick' se enmarca en la tendencia estética vintage, representando pequeñas tabillas de madera pintadas y desgastadas por el tiempo. Su amplia variedad gráfica y su fabricación en pasta blanca permite dotar de carácter a cualquier pared incluidos los espacios húmedos y duchas.

'ARGILA UPTOWN' takes a new look at the concept of brickwork within the framework of vintage design. In this case, the tiles emulate small painted wood strips, worn by the passage of time. Wall surfaces of differing types can be lent a distinctive touch of character, even showers and wet areas, with this white-body tile collection, available in a wide variety of patterns.
