Rasp

Un'indagine approfondita sull'estetica dei cementi ha dato origine alla collezione Rasp. Dal forte carattere materico, la superficie presenta parti brillanti intervallate a zone opache che rimandano al processo di essiccazione della materia. Disponibile in una doppia versione - liscia e strutturata - Rasp si presenta in quattro colorazioni neutre e nei due formati 75x75 e 37,5x75.

The creation of Rasp collection was inspired by a thorough analysis on the aesthetics of cement.

The strong impact of its soft and contemporary surface is composed by alternated shiny and matt sections which recall the hydration process of concrete.

Available in two versions - smooth and hammered - Rasp comes in four neutral colors and two sizes 75x75 (29,5"x29,5") and 37,5x75 (14,7"x29,5")
